

Willow Hair updated Salon Covid-19 Policy March 2022

As of 24th February 2022 the UK government announced the lifting of COVID restrictions as part of the 'Living with COVID-19' strategy.

Although there is no legal requirement to test or Self Isolate we still encourage any of our clients with Covid symptoms not to attend the salon.

We do still have a 24 hour cancellation policy so please give us as much notice as possible if you're unable to attend your appointment.

As the government has also lifted the restrictions on wearing face coverings we no longer require clients to wear them whilst in the salon unless they prefer to do so.

We would also like to allow staff members the freedom to not wear a face covering where possible. However as hairdressing is a close contact service we appreciate that some clients may feel uncomfortable with this therefore we are more than happy to wear a face covering if someone requests so.

We would like to thank you all for your continued support throughout the COVID-19 pandemic, and should you have any questions at all please do not hesitate to get in contact with the salon.
